Special Remarks: _____

7. Submit scaled site plan of the property including any current structures and the proposed structure clearly labeled showing the exact sizes along with front, side, and rear setbacks, driveways, easements and flood hazard data, if applicable. **(lack of relevant detail shall be cause to refer the application back to the applicant)**
8. Verify that an adequate access (drive) exists, north – south – east – west off of County Road _____.
 [If other access is wanted or required, contact the Cuming County Road Department for a right-of-way permit for installation of a culvert and/or work in Cuming County's road right-of-way for legal / dedicated access drive. (i.e. culvert, bridge, etc.)]
Cuming County reserves the right to review and inspect any work completed in Cuming County's road right-of-way

Signature of Property Owner denotes that all applicable building and/or zoning codes are to be followed and are the sole responsibility of contractor or property owner for the construction of the structure that such zoning permit is granted. A separate application is required for each structure. Signature also denotes that permission is granted to the Zoning Administrator to inspect the construction site in which zoning permit is granted at any time until structure is completed.

The above information is, to the best of my knowledge, true and accurate. It is understood and agreed that any error, misstatement, or misrepresentation of fact, either with or without intention on my part, such as might, if known, cause a refusal of this application, or any alteration or change in plans made without the approval of the Zoning Administrator subsequent to the issuance of the zoning permit, shall constitute sufficient grounds for the revocation of such permit.

This permit is valid for one (1) year from approval date, if not complete in that time, this permit becomes null & void.
