In compliance with Nebraska State Statute, Section 60-6233 application is being made for a Cuming County emergency light permit.

The intent of the statute pertaining to emergency lights are to allow volunteer emergency responders in personally owned vehicles to install emergency lights which can be activated if an emergency exists where the presence of the volunteer emergency responder is needed. No laws should be violated while in route. Exceeding speed limits, running red lights and stop signs are not allowed. The lights simply let other motorists in and around the area to get out of the way and let you by.

This permit can be revukeu al any lime by lhe County Sheriff and said permit must be carried at all times in the vehicle described on the application. Each permit shall expire on December 31 of each year and a new application must be filled out in the same manner annually.

As part of this application we have included Nebraska State Statutes that pertains to this issue. It is imperative that the applicant reviews the attached Statute and possesses a complete understanding of the content.

"I affirm that all the aforementioned iriformation is correct, and that I have read, understand, and will comply with attached Nebraska State Statute 60-6233. I understand that my personally owned vehicle does not meet the definition of an authorized emergency vehicle and agree I will not abuse the privilege allowed me. I attest with my signature. "
